

Name: Ethan Chiu

Course: COMSC-110-1021

1. I intend to use my Windows 10 computer for this class since the class computers use Windows.
2. I intend to use MS Notepad since that will help me learn programming better and be a better computer scientist.
3. I intend to use the TDM64 MinGW-w64 compiler :

4. I intend to work in the C:\Users\ethan\OneDrive\SU17\CS110 folder :

5. I pressed the check mark of the "Hidden items" check box to show all hidden files.
